

Academic Integrity Declaration

In submitting this work, I agree that:

- The assessment has been produced by me and is solely my work, UNLESS the work is for a designated collaborative (group) task.
- I have not sought or received unpermitted assistance from any other person, or other source (e.g. a website, tutorial or answer service).
- I have properly acknowledged all sources used in my work.
- I have not unfairly represented content created by artificial intelligence or generative artificial intelligence tools as my work (the use of AI tools in assessed work must be expressly permitted by Course Leads and its use acknowledged).
- This work has not previously been submitted by me for any assessment task, OR I have received approval to resubmit this work.
- I did not use any other unfair means to complete this work.
- I am aware that AUT may use text-matching software to check for plagiarism in assessments.
